## EYES

Apply Perfect Point Plus Eyeliner in Charcoal to the top and bottom lash lines.

Sweep the second-lightest shade of Eye Enhancers 3-Kit Shadows in Café Au Lait from lash line to brow bone. Blend the darkest shade into the crease of the eyelid and blend in all directions. Finish with the lightest shade, sweeping along the brow bone and inner corner of the eye.

## LIPS

Using the sponge-tipped applicator, apply Outlast All-Day Lipcolor in Timeless Ruby all over the lips, starting at the center. Finish with the moisturizing top coat for added shine.
