

MARLEN ESPARZA

EYES

Apply Perfect Point Plus Eyeliner in Charcoal to the top and bottom lash lines.

Apply the lighter shade of SmokyShadowBlast in Bronze Fire to the entire eyelid, starting at the lash line and blending upward toward the brow bone.

Apply below the lower lash line and use the ring finger to blend.

Apply the darker shade in the crease of the eyelid and use the ring finger to blend.

LIPS

Using the sponge-tipped applicator, apply Outlast All-Day Lipcolor in Faint Hue all over the lips, starting at the center. Finish with the moisturizing top coat for added shine.
